To whom it may concern:

I have been using Decron wraps for nearly 2 years now. I have found them a valuable addition to my armoury as an equine veterinarian for the management of a multitude of issues. I have found the Decron wraps invaluable for the removal of swollen legs and also I have started using them in competition horses after a competition to remove heat from legs. Their ease of use, allow them to be applied to legs easily by myself and my clients.

Many Thanks,

Michael Tweedie
